## Favola: Wash unit for hairdresser

Favola shampoo unit, ideal for salons that want to focus on quality, comfort, and true Made in Italy craftsmanship!

Favola's standout feature is the new spacious tilting ceramic basin, equipped with a comfortable neck cushion, which allows the client to be smoothly guided from a seated to a semi-reclined position, delivering a deep and total relaxation experience.

As always, comfort for both clients and professionals is the key concept, together with careful attention to the salon atmosphere. For this reason, Favola features a wide and welcoming seat, with high-density padding and an additional layer of memory foam, designed to ensure maximum comfort.

The solid and elegant wooden structure includes a practical shelf which can be customized in six different finishes, allowing it to perfectly match the style of every salon.

The experience that clients live with Favola can be further enhanced by adding the Head Spa Kit, transforming the salon into a true oasis of well-being.
