Luxury Longue - Chaise longue design shampoo unit for hairdressers

Luxury Longue is a professional shampoo unit designed to offer maximum comfort! The chaise longue system with reclining backrest, tilting seat and synchronized electric leg rest brings the client into a semi-reclined position, ideal for a relaxing experience during treatments.

The design stands out thanks to the elegant and modern armrests, which enhance the style of the salon and make the seat even more welcoming.

For superior comfort, Luxury Longue is also available with Shiatsu massage, perfect for longer treatments. The model is also available in 2- or 3-seat configurations, ideal for furnishing the washing area with elegance.
