Maiden - Urban style hairdressing chair with modern design

The Maiden salon chair stands out for its modern design inspired by urban style, perfect for furnishing contemporary salons with character and personality. The wide and comfortable seat ensures maximum well-being during treatments, offering clients a pleasant and relaxing experience.

A distinctive feature of the chair is its high-thickness sheet metal armrests, which provide solidity and a bold aesthetic, perfectly in harmony with the industrial and urban style. The structure is completed by a textured black painted metal base, ensuring stability and reinforcing the chair's modern look.

With Maiden, comfort, quality materials, and urban design come together to create a contemporary, durable, and functional hairdressing chair, ideal for enhancing every workstation in the salon.
