# Camille: Hairdressing chair

The Camille chair boasts a boutique style that can help create either a more intimate setting in smaller workplaces, or a grand, luxurious statement in larger salons. Recalling a Louis XIV-era style, the chromed armrests' mix of sharp angles and smooth curves ties together perfectly with the rounded seat and backrest, with the backrest in particular standing out thanks to its buttoned finish.

### **ARTICOLI**

Salon Ambience chairs are available with three types of base — fivestar, round or rounded — in standard or black finish, and can be equipped with either a swivel column or a brake pump. The pump is 100% Made in Italy and comes with a 5-year warranty.
