The OLIMPIA styling chair takes a curved retro style in a new direction, with incredible results! The seat and backrest of the Olimpia combine curved elements with straighter shapes, creating a chair that is at once soft yet professional. The parallel lines of the seat and backrest tie the two elements together to make an accommodating chair that is also a fresh take on a winning formula! The Olimpia is available in a choice of Skai® Colours, either one or two-tone, at no extra cost. The Olimpia is also available with a reclining mechanism.
