## Gravity: Wash unit for hairdresser

Gravity is the next-generation shampoo unit specifically conceived to improve the hairdresser's quality of work life. The shampoo unit is specifically designed to reduce back pain affecting many hair salon staff, thanks to a sophisticated mechanism allowing to adjust the height of the whole structure, raising or lowering it until reaching the ideal working height. In addition, Gravity is available with or without electric leg rest and Shiatsu massage, ensuring the maximum comfort for the customer.

### ARTICOLI

#### **WU/155/B Gravity wash unit with electric legrest, rising mechanism, massage and white basin**

WU/155/M Gravity wash unit with electric legrest, rising mechanism, massage and matt black basin
