Romance: Reception desk for hairdresser

The Romance reception desk is practical, functional and enhances your salon design at the same time. The elegant and refined shape, together with the simple and minimal style, will amaze your customers from the entrance. The structure, in white ash melamine, offers ample workspace and is equipped with shelves, cupboards and drawers, so that you will no longer have problems with space. Moreover Romance is modular: add to the central body one or two side cabinets, with extra storage space and a glass display for products. Tidying up and organizing space has never been so easy!
