Soho: Wash unit for hairdresser

Let yourself go to a moment of absolute relaxation thanks to Soho, the new Salon Ambience washunit!

Soho completes the Urban line with its painted steel tube structure, ensuring maximum comfort thanks to the electric leg rest and transforming its seat into a comfortable chaise longue.

Also available with a practical pedal control that allows the operator to always have their hands free, the washing column cover panels can be customized making Soho the perfect solution for any industrial-style environment!
