# Kleo reclining: Hairdressing chair

It's the perfect unisex work chair.

With clean and bold lines, it is practical and functional and has been designed with a size that makes it suitable for every salon. The armrests in cast aluminum characterize its image, the inner soul of the seat and back in curved beech are covered with non-deformable foam that make Kleo a unique armchair for hair styling. Kleo is also available in the version with reclining back and optional headrest.
