Horizon: Hairdressing mirror

Broaden your Horizons with this captivating styling unit! The Horizon from Salon Ambience offers a mirror that is both imposing yet minimalist, with LED backlighting and aluminium borders completing the Horizon's refined style. A large work shelf and product storage area in white ash melamine can be found underneath, complementing the size and importance of the mirror itself. The Horizon also comes complete with a large footrest that continues the minimal style seen in the work unit. The Horizon mirror is now also available in different materials.

All Salon Ambience mirrors come with footrest included!
