Brooklyn: Hairdressing mirror

The Brooklyn was born to amaze! The customizable and eye-catching workunit comes with simple and essential shapes of the white ash melamine structure, and is available in four versions: single or double wall mirror, and two or four position island unit. On top of that, the Brooklyn comes with either round or rectangular mirrors. If you are looking for a refined taste, the round mirror is the one for you. If you prefer the pure geometries instead, choose the rectangular mirror, which has plenty of space to store the products.

All Salon Ambience mirrors come with a comfortable footrest included!
